

FORESTGIFT

REAL EARTH LEGACY

Forest for Individuals

“

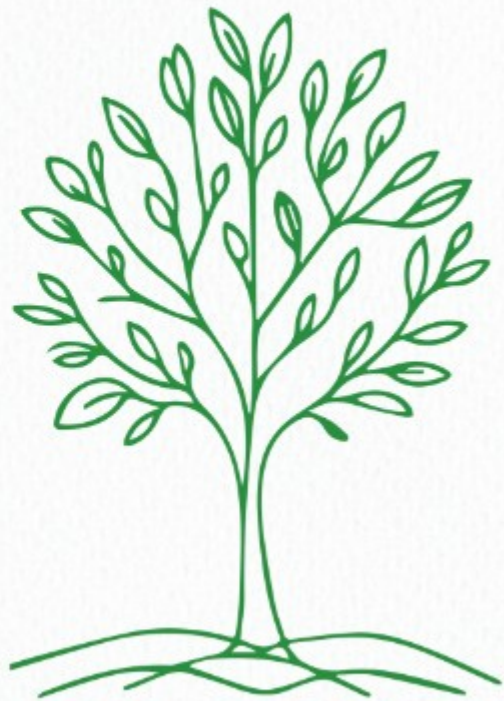

Planting a tree
is not an event.

It is the beginning
of a relationship.

ABOUT FOREST

Forest is a structured lifestyle system for individuals and families that transforms everyday moments into long-term environmental impact.

It is not a one-time plantation.
It is a continuous personal journey of sustainability, ownership, and legacy.

The Core Idea

Every milestone
becomes a tree

Every person
builds their own forest

Every home
become sustainable

What We Build For You

Tree Based Life System

- Milestone linked to trees
- Yearly participation
- Long-term continuity

Outcome

- Real environmental contribution
- Yearly participation
- Long-term continuity

Birthday Experience

- Celebrate within community
- Tree-linked recognition
- Cake + public acknowledgment

Outcome

- Strong emotional connection
- Word-of-mouth growth
- Memorable celebrations

Personal Forest Ownership

- Personal digital forest profile
- Tracks & count the no of tree
- Growth over time

Outcome

- Strong personal attachment
- Continuous engagement
- Long-term commitment

“SUSTAINABLE ME” System

- Practical sustainability guide
- Waste segregation
- Plastic reduction

Outcome

- Home becomes eco-friendly
- Reduced waste & energy usage
- Children learn sustainable living early

Society Transformation Model

- Waste management
- Composting practices
- Plastic reduction
- Energy saving awareness

Outcome

- Cleaner environment
- Collective impact
- Strong community identity

Certificate & Identity system

- Personalized certificate
- Sustainable living oath
- Build identity, not just participation

Outcome

- Responsible identity
- Increased accountability

Community Building & Engagement

- Society level groups
- Plantation events
- Recognition for members

Outcome

- Higher engagement
- Continuous participation
- Strong community bonding

How It Works

STEP 1
Society
Introduction
Session

Awareness +
System
explanation

STEP 2
Individual
Onboarding

Plan selection
Profile selection

STEP 3
Plantation
&
Celebration

Trees planted
Milestone
celebrated

STEP 4
Tracking
&
Engagement

Digital updates
Community
interaction

STEP 5
Lifestyle
Adoption

Sustainable
me
implementation

Program Structure

BASIC

- Entry into forest system
- Dashboard access
- Certificates

FAMILY PLAN

- Multiple tree linked to family milestone
- Birthday celebration integration
- Sustainable guide included

SOCIETY PLAN

- Green society transformation support
- Community engagement System
